

PRABHU R

Email : prabhukr4@yahoo.com

Phone : +91 9865998789

Address : No13/6A2, Thottasalai,
Karichipalayam, Vagrayampalayam (P.O),
Coimbatore- 641659, Tamilnadu, India.

PROFICIENCY

- An Engineering graduate with experience in design, development, testing and implementation of Embedded system products across various domains.
- Having a strong passion to learn new technologies and have applied my skills to develop innovative ideas into real world products to solve real world problems.
- Wish to say that if your product has performance constraints, limited memory resources, or tight timing, I'm the person you would want to team up with.

TECHNICAL SKILLS

Microcontroller	<ul style="list-style-type: none">• PIC 16F Series• ATMEL and ATXMEGA128 Series• 32-bit ARM7 (LPC214x)• Arduino Series
Software Platforms	<ul style="list-style-type: none">• MPLABX, MPLAB v8.30• Keil MDK ARM v4• Atmel Studio 6.0• Arduino IDE• PROTEUS 7.7
Debugging Tools	<ul style="list-style-type: none">• LPC Xpresso Debugger (NXP)• PICKit 3 (Microchip)• AVR Dragon(ATMEL)• Topwin6• Digital Signal Oscilloscope (DSO)
Programming Language	<ul style="list-style-type: none">• Embedded C
Internal Peripherals	<ul style="list-style-type: none">• RS485 with MODBUS• I2C / SPI / UART• ADC / DAC• TIMER / PWM• GPIO• Interrupts
External Peripherals	<ul style="list-style-type: none">• Alphanumeric LCD• Analog and Digital Sensors• Motor Driver• EEPROM• GPS / GSM / RFID / Zigbee Transceiver /Bluetooth• Resistive Touch screen

EXPERIENCE

- **LAKSHMI MACHINES WORKS (MTD)**

Duration - February 2011 to 2012
Function - Diploma Trainee in CNC Machine assembling (R&D)
Location - Coimbatore

- **SIRIUS TECHNO SOLUTION**

Duration - May 2015 to Till
Function - Embedded Developer
Location - Coimbatore.

Responsibilities:

- Design and Develop firmware for embedded system peripherals
- Analyze and enhance efficiency, stability and scalability of system resources
- Interface with hardware design and development
- Analysis and validation of a product design
- Documentation for the project and product design

PROJECT DETAILS

Project 1:

Description	
Name	MACHINE TO MACHINE COMMUNICATION MODULE (M2M)
Role	Hardware & Software Developer
Team Size	2 Persons
Responsibilities	<ul style="list-style-type: none">• Develop the code for the Microcontroller (ATxmega128a4u) used in the System.• Testing and analysis of real-time working and performance of the Project.
Description	<ul style="list-style-type: none">• Main objective of M2M wireless module is to arrive at a common Diagnosis solution for all machines. The System will act as a plug and play device for all the Machines, facility to collect all the required parameters for Monitoring purpose such as, Date, Time, Location, System Faults, and Product ID with certain period of time.
Language	Embedded C
Development Tools	Atmel Studio 6.0, AVR Dragon, Tera term
Microcontroller and Modules	ATXMEGA128A4U, GPS, GSM/GPRS, RS458 with MODBUS Protocol

Project 2:

Description	
Name	Fabric Defect Identification System
Role	Hardware & Software Developer
Client	Subam Engineering Works
Team Size	2 Persons
Responsibilities	<ul style="list-style-type: none">• Develop the code for the Microcontroller (PIC16F877a) used in the System.• Testing and analysis of real-time working and performance of the Project.
Description	<ul style="list-style-type: none">• The main objective of the project is to identify the Fabric cloth defects during Fabrication. For improving the quality of the Fabric, have necessary to reduce the cloth defects. From that with help of IR reflection sensor based the cloth defects are identified and Microcontroller will control the Axis motors depends on defects
Language	Embedded C
Development Tools	MPLAB V8.3, PICKit3, Proteus 7
Microcontroller and Modules	PIC16F877a Microcontroller

ACADEMIC QUALIFICATIONS

- ✓ **Kathir College Of Engineering, Coimbatore**
B.E., Electronics and Communication Engineering with **CGPD: 6.90** (April 2015)
- ✓ **Nanjappa Polytechnic College**
Diploma in Electronics and Communication Engineering with **80%** (April 2010)
- ✓ **Government Higher Secondary School, Vagarayampalayam, Coimbatore**
SSLC with **72.00%** (April 2007)

PERSONAL INFORMATION

Father's Name : K.A.Ramasamy
Mother's Name : R.Kalamani
Date of Birth : 06-07-1992
Nationality : Indian
Languages known : Tamil and English

DECLARATION

I hereby declare that the information furnished above is true to the best of my knowledge.

Place : Coimbatore

Yours Sincerely,

Date :

R.Prabhu
